

Depends for the fuel, which is the origin of its propulsive force, upon the stomach. In that hidden alambic the food undergoes the chemical changes which transmute it into blood, from which the system draws the material that reimburses it for its daily losses of tissue. These, of course, are greatly augmented in disease. If the stomach, therefore, is weakened or disordered, the system is deprived of sustenance. Hester's Stomach Bitters can be relied upon to facilitate and renew digestion when that function has been interrupted by weakness of the stomach. Bilioousness, or a diversion of the bile from its proper channel, which causes constipation, is also remedied by it. Heartburn, wind on the stomach, sick headache, fur upon the tongue, and other symptoms of stomach and liver disorder, it speedily removes. Malarial complaints of every sort, kidney and bladder troubles, constipation, rheumatism and neuralgia yield when it is used regularly and persistently.

Dallas paper: Since starting out to collect taxes in February, sheriff Groves has collected \$35,000. In March he collected \$25,000. There remains about \$8,000 of the 1887 taxes delinquent.

A Woman's Discovery.

"Another wonderful discovery has been made and that too by a lady in this county. Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly and could not sleep. She bought of us a bottle of Dr. King's New discovery for Consumption and was so much relieved on taking first dose that she slept all night and with one bottle has been miraculously cured. Her name is Mrs. Luther Lutz." Thus write W. C. Hamrick & Co., of Shelby, N. C.—Get a free trial bottle at H. W. Cox's drug store.

Yaquina Post:—On Saturday Albert Waugh was looking after some of his freight on the steamer Willamette Valley, when he made a misstep and was precipitated from the main deck through the hatchway to the lower hold, resulting in the dislocation of the right shoulder and severely bruising him about the head and chest. Dr. Bushnell gave him the needed attention.

The Verdict Unanimous.

W. D. Silt, Druggist, Bippus, Ind., testifies: "I can recommend Electric Bitters as the very best remedy. Every bottle sold has given relief in every case. One man took six bottles, and was cured of Rheumatism of 10 years' standing." Abraham Hare, druggist, Bellville, Ohio, affirms: "The best selling medicine I have ever handled in my 20 years' experience, is Electric Bitters." Thousands of others have added their testimony, so that the verdict is unanimous that Electric Bitters do cure all diseases of the Liver, Kidneys or Blood. Only a half dollar a bottle at H. W. Cox's drug store.

A Linn county farmer who was in town yesterday, says he came to Oregon twenty-five years ago, with his wife and eight children, the youngest eighteen months old. He has raised this family to manhood and womanhood, without a single death, and he says his doctor bills all told, during this quarter of a century, have not amounted to \$10. This would warrant the belief that Oregon is a healthy state to live in.

"The Boom Busted."

A business house in San Francisco, writing to a firm in this city, speaks as follows of the boom in Southern California: "I have just returned from Southern California, and you have no idea how business has dropped out. In San Diego, where thirteen found plenty of business, there is now barely enough for six. Oregon and Washington are on a better basis than this country."
